Dear Ms Tucker,

Application for Variation – Japan

As part of a code share agreement between Qantas and LATAM Airlines Group S.A. (LATAM), it is proposed that LATAM will offer code share services on flights operated by Qantas on the Japan route from 1 December 2018.

A copy of the confidential code share agreement between Qantas and LATAM will be provided separately to the Commission.

Variations Sought

Qantas requests a variation to Determination [2012] IASC 102 (as varied) and Determination [2014] IASC 120 to permit the utilisation of capacity by Qantas for code share services with LATAM on the Japan route.

The variations are requested for the duration of the determinations.

We would be pleased to provide any further information the Commission may require.

Yours sincerely,

Megan Morris
Acting Head of International Affairs
