Dear Ms Tucker *Marlene*

Application for Renewal – Determination [2009] IASC 115

I refer to your letter of 12 August 2013 inviting Qantas to express its interest in the renewal of determinations which will expire within the next 12 months.

Qantas seeks renewal of Determination [2009] IASC 115, which allocates unrestricted passenger capacity between points in Australia except Sydney, Melbourne (including Avalon), Brisbane and Perth and points in Indonesia.

We request renewal of this determination for a further ten years from 4 August 2014.

We would be pleased to provide any further information the Commission might require in considering our renewal request.

Yours sincerely
