Dear Ms Tucker

Request for Capacity Allocation – Canada

Qantas plans operate seasonal services between Australia and Canada during periods of peak demand throughout the year. The services will be operated using B747 aircraft configured with 364 seats.

Application Sought

Qantas requests an allocation of 1,092 seats per week on the Canada route on the following basis:

- the allocation is requested for a period of five years from the date of the determination;
- the capacity will be fully utilised by 31 March 2015;
- the capacity may be utilised by Qantas or another Australian carrier which is a wholly-owned subsidiary of Qantas; and
- the capacity may be used by Qantas to provide joint services with any wholly-owned subsidiary and by any wholly-owned subsidiary of the Qantas Group to provide joint services with Qantas.

IASC Act and Policy Statement Considerations

This application should be considered against the general criteria for assessing the benefit to the public in paragraph 4 of the Minister's Policy Statement.
