Dear Ms Tucker *Marlene*

Re: Renewal of Commission Determination

I refer to your letter of 2 October 2014 inviting Virgin Australia Airlines (SE Asia) Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2009] IASC 129, as varied by Decision [2011] IASC 213, which allocates 180 seats per week of capacity on the Cook Islands route and is due to expire on 12 October 2015.

Virgin Australia continues to fully utilise the capacity allocated by Determination [2009] IASC 129 to operate our services to the Cook Islands. We wish to retain this allocation with all of its conditions, with the exception of those contained within Decision [2011] IASC 213. Accordingly, we seek renewal of the abovementioned determination for a period of five years from 13 October 2015.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely

Lee-Anne Tomkins
Head of Government & International Relations
