Re: Renewal of Commission Determination

I refer to your letter of 1 April 2019 inviting Virgin Australia International Airlines Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2014] IASC 107 (as varied by [2018] IASC 221), which allocates 360 seats per week of capacity on the Cook Islands route and is due to expire on 8 April 2020.

Virgin Australia continues to operate services to the Cook Islands utilising capacity allocated under Determination [2014] IASC 107. We therefore seek renewal of this determination, including all existing conditions, for a period of five years from 9 April 2020.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely
