Re: Renewal of Commission Determinations

I refer to your letter of 9 May 2018, inviting us to express our interest in the renewal of those determinations allocating capacity to Virgin Australia which are due to expire within the next 12 months.

Virgin Australia International Airlines Pty Ltd (VAIA) continues to operate services to Indonesia utilising capacity allocated under [2013] IASC 130. We therefore seek renewal of this Determination (as varied by [2013] IASC 225 and [2015] IASC 210), including all relevant conditions, for a period of five years from 11 May 2019.

Papua New Guinea route – [2014] IASC 108

Virgin Australia Airlines (SE Asia) Pty Ltd continues to operate services to Papua New Guinea utilising capacity allocated under Determination [2014] IASC 108. We therefore seek renewal of this determination, including all relevant conditions, for a period of five years from 20 May 2019.

Indonesia route – [2013] IASC 131

VAIA continues to operate services to Indonesia utilising capacity allocated under [2013] IASC 131. We therefore seek renewal of this Determination (as varied by [2015] IASC 211), including all relevant conditions, for a period of five years from 27 May 2019.
