**International Air Services Commission**

**[2014] IASC R01 (26 March 2014) Virgin Australia International Airlines Pty Ltd and Virgin Australia Airlines (SE Asia) Pty Ltd (Virgin Australia)**

The International Air Services Commission has given authorisation for Virgin Australia to code share with Etihad Airways on the following routes:

- France: [2010] IASC 120;
- Italy: [2013] IASC 122;
- New Zealand: [2007] IASC 118 as varied by [2010] IASC 208;
- Thailand: [2010] IASC 119 and [2013] IASC 140; and
- United Arab Emirates [2010] IASC 118.

The authorisation is given in accordance with the code share agreement between Virgin Australia and Etihad Airways dated 26 August 2010 or any subsequent code share agreement between the parties whether or not it replaces the existing agreement, with the prior approval of the Commission.

Virgin Australia provided the Commission 'Appendix A1: Additional Codeshare Routes' which effectively amends the codeshare agreement between Virgin Australia and Etihad Airways.

The Commission resolves ([2014] IASC R01) to approve the use of the allocated capacity under the amended code share agreement between Virgin Australia and Etihad Airways.
