**DETERMINATION NO:** [2002] IASC 123

RENEWAL OF: DETERMINATION IASC/DET/9813

THE ROUTE: INDONESIA

THE APPLICANT: QANTAS AIRWAYS LIMITED

(ACN 009 661 901) (QANTAS)

PUBLIC REGISTER FILE: IASC/APP/200216

## 1 The application for renewal

- 1.1 On 22 June 1998, the Commission issued Determination IASC/DET/9813 (the Determination) allocating 0.6 B747 equivalent units per week in each direction on the Indonesia route. The Determination was subsequently varied to add capacity beyond Indonesia.
- 1.2 Under the *International Air Services Commission Act 1992* (the Act) the Commission must start its consideration of the renewal of a determination at least 12 months before expiry of the Determination. The Determination expires on 30 September 2003.
- 1.3 Qantas applied to the Commission for a renewal of the Determination. The Commission published a notice on 2 September 2002 inviting submissions about the application, and other applications for an allocation of the capacity subject to renewal. No submissions or other applications were received.
- 1.4 All material supplied by the applicant is filed on the Register of Public Documents.

## 2 Commission's consideration

- 2.1 Under the Minister's Policy Statement (No. 3), of 23 April 1997, as amended on 9 March 1999, there is a rebuttable presumption in favour of the carrier seeking the renewal.
- 2.2 The Commission notes that:
  - Qantas has been reducing its allocations on the Indonesia route to reflect current operating patterns;
  - there are no other applicants seeking capacity on the route;

- there are 5540 seats per week available for immediate allocation between Australia and Indonesia and 4380 seats per week available beyond Indonesia; and
- there is no evidence that Qantas has failed to service the route effectively.
- 2.3 In these circumstances, the Commission concludes that the renewal of Determination IASC/DET/9813 would be of benefit to the public.
- 2.4 The wording of the fresh determination below reflects the view of the Commission that determinations which renew original determinations should contain updated terms and conditions consistent with the Commission's current practice and current air services arrangements. Under the Act, the Commission may make changes to the terms and conditions included in the original determination where warranted by changes in circumstances since the original determination was made.
