Dear Ms Tucker,

Renewal of Commission Determination – Japan

Thank you for your letter inviting Qantas to express its interest in the renewal of Determination 2014 [IASC] 120 on the Japan route which is due to expire on 15 December 2019.

Qantas continues to fully utilise the capacity allocated by Determination 2014 [IASC] 120 of seven frequencies per week on the Japan route to serve Haneda Airport. We request renewal of this allocation of capacity for a period of five years, and request that such renewal is granted subject to all conditions contained in the determination as varied.

We would be pleased to provide any further information the Commission may require in considering our request.

Yours sincerely,

Megan Morris
Acting Head of International Affairs
