Dear Ms Tucker *Marlene*

Re: Renewal of Commission Determination

I refer to your letter of 3 April 2014 inviting Virgin Australia Airlines (SE Asia) Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2010] IASC 102, as varied by [2011] IASC 213 and [2011] IASC R16, which allocates 360 seats per week of capacity on the Cook Islands route and is due to expire on 8 April 2015.

Virgin Australia continues to fully utilise the capacity allocated by Determination [2010] IASC 102 to operate our services to the Cook Islands. We wish to retain this allocation and therefore seek renewal of the abovementioned determination for a period of five years from 9 April 2015.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely

Lee-Anne Tomkins
