Dear ~~Ms. Tucker,~~

Application for Renewal – Determination [2013] IASC 126 – Nauru Route

We refer to your letter dated 15 May 2017 inviting Pacific Air Express to express its interest in the renewal of Determinations which will expire within the next twelve months.

Pacific Air Express seeks the renewal of Determination [2013] IASC 126 which currently allocates one service per week of freight capacity on the Nauru route.

As recent changes to the air service arrangements between Australia and Nauru included changing the available freight capacity to 'unlimited', we respectfully request a corresponding amendment of the Determination to an allocation of 'unlimited freight capacity' on the Nauru route

We request renewal of this Determination for ten years from 19 May 2018.

We would be pleased to provide any further information in support of this application if requested.

Yours sincerely,

Gary Clifford
Managing Director
