Dear Ms Millard,

Renewal of Determinations

Qantas Airways Limited (Qantas) appreciates the opportunity to express its interest in the renewal of the following determinations allocating capacity to Qantas which will expire in the next 12 months.

[2014] IASC 110 – Hong Kong route

Qantas continues to fully utilise the capacity allocated under this Determination in operating an all-cargo service to Hong Kong. We therefore seek renewal of this Determination for a period of five years from 14 July 2020, and request that such renewal is granted subject to all conditions contained in the Determination.

[2015] IASC 107 – Chile route

Qantas continues to fully utilise the capacity allocated under this Determination in operating services to Chile. We therefore seek renewal of this Determination for a period of five years from 15 July 2020, and request that such renewal is granted subject to all conditions contained in the Determination.

We would be pleased to provide any further information the Commission might require in considering the requests above.

Yours sincerely,

Megan Morris
Acting Head of International Affairs
