Dear Ms Tucker *Marlene*

Re: Renewal of Commission Determinations

I refer to your letter of 2 July 2018 inviting Virgin Australia Airlines (SE Asia) Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2013] IASC 132, which allocates unrestricted capacity in each direction on the Fiji route for services between points in Australia other than Sydney, Melbourne, Brisbane and Perth and authorised points in Fiji. We note that this determination is due to expire on 8 July 2019.

Virgin Australia continues to operate services to Fiji from Brisbane, Sydney and Melbourne. We wish to retain the capacity allocated under Determination [2013] IASC 132 to provide us with the flexibility to commence services on the route from points other than Brisbane, Sydney, Melbourne and Perth in the future. As capacity that may be operated to Fiji from points other than the four major Australian gateways is not subject to limitation under the Australia-Fiji air services arrangements, we therefore seek renewal of this determination, including all existing conditions, for a period of 99 years from 9 July 2019.

Should you require any additional information, please do not hesitate to contact me on (02) 8093 7114.

Yours sincerely
