Re: Renewal of Commission Determination

I refer to your letter of 6 February 2019 inviting Virgin Australia Airlines (SE Asia) Pty Ltd (Virgin Australia) to express its interest in the renewal of Determination [2015] IASC 102, which allocates 172 seats per week of capacity on the Papua New Guinea route and is due to expire on 24 February 2020.

Virgin Australia continues to operate services to Papua New Guinea utilising capacity allocated under Determination [2015] IASC 102. We therefore seek renewal of this determination, including all existing conditions, for a period of five years from 25 February 2020.

We would be pleased to provide any further information the Commission may require in considering our application for renewal. Should you have any queries, please contact me on (02) 8093 7114.

Yours sincerely
