International Air Services Commission

DECISION

Decision: [2026] IASC 205
Variation of: [2024] IASC 107
The Route: Palau
The Applicant: Qantas Airways Limited
(ABN 16 009 661 901)
Public Register File: IASC/APP/202610

1 The application

1.1 On 21 April 2026, Qantas Airways Limited applied to the International Air Services Commission (the Commission) requesting to reduce the capacity allocated under Determination [2024] IASC 107 (the Determination) on the Palau route by six (6) seats, leaving 168 seats per week allocated under the Determination.

2 Commission's consideration

2.1 Under section 21 of the International Air Services Commission Act 1992 (the Act), an Australian carrier to whom a determination allocating capacity is issued, may at any time request that the Commission varies the determination.

2.2 Subsection 22(1A) of the Act does not require public notification of a request for variation that has the effect of reducing the capacity allocation. In light of this, Qantas' request for reduction of its capacity allocation on the Palau route was not subjected to public consultation or notification.

2.3 Subsection 24(3) of the Act provides, in part, that the Commission must vary the determination as requested if the only effect of the variation would be to reduce the capacity allocated to the carrier.

3 Decision varying Determination [2024] IASC 107

3.1 In accordance with section 24 of the Act, the Commission varies Determination [2024] IASC 107, reducing the capacity allocated by six (6) seats per week, leaving 168 seats per week allocated under the Determination.
