Dear Ms Ackar,

RE: RENEWAL DETERMINATIONS

Qantas Airways Limited (Qantas) wishes to renew Determinations [2019] IASC 118 and [2019] IASC 102 expiring in 2024 that allocate capacity on the Japan route to service Tokyo-Haneda to Qantas.

Determination [2019] IASC 118 and Determination [2019] IASC 102 each allocate one daily frequency in each direction to operate passenger services on the Japan route to service Tokyo-Haneda.

Qantas requests all existing conditions be retained, including the ability for LATAM Airlines Group S.A (LATAM) to code share on Qantas operated services. The Determinations are requested for a period of five years.

A copy of the confidential codeshare agreement between Qantas and LATAM made on 1 August 2014 has been provided separately to the Commission.

Qantas would be pleased to provide any further information the Commission may require.

Yours sincerely,

Anna Pritchard
Executive Manager, Government, Industry & Competition
