Dear Ms Ackar

CAPACITY APPLICATION – INDONESIA ROUTE

Virgin Australia International Airlines Pty Ltd (Virgin Australia) wishes to apply for an allocation of capacity for additional services between Australia and Indonesia as follows:

- Adelaide – Perth – Denpasar; and

- Gold Coast – Perth – Denpasar

Virgin Australia will operate these services using Boeing 737 aircraft. The timetable for the Northern Summer 2024 season is detailed in **Appendix 1.**

Allocation Sought

Virgin Australia is seeking an allocation of 2,464 seats per week for the operation of two daily services on the Indonesian route, on the basis that:

(a) The capacity will be utilised by Virgin Australia;

(b) The allocation is granted for a period of five years from the date of the determination;

(c) The allocation will be fully utilised no later than five months following IASC approval for the Adelaide-Perth-Denpasar route; and

(d) The allocation will be fully utilised no later than six months following IASC approval for the Gold Coast-Perth-Denpasar route.

Virgin Australia requests the assessment of this application in accordance with the 'reasonable capability criterion' outlined in section 8 of the Minister's Policy Statement. We are happy to provide any additional information that the Commission may require.

Please do not hesitate to contact me on 0404 027 360 if you wish to discuss this further.

Yours Sincerely

Todd Reynolds
