

R1999/02 14 April 1999 United States (South Pacific) Route

Pursuant to conditions included in Determination IASC/DET/9716 (as varied by Decision IASC/DEC/9810 and amended by R1997/18, R1997/25, R1998/19 and R1998/22) and Schedule 1 of the Section 54B Determination allocating capacity to Qantas Airways Limited (Qantas) on the United States (South Pacific) route, the Commission resolves (**R1999/02**) to approve the use of the capacity to provide services jointly with Air Pacific between Honolulu and New Zealand, subject to:

- copies of the relevant variations to the Capacity Purchase/Sale Agreements dated 14 October 1996 between Qantas and Air Pacific (and associated attachments) relating to the New Zealand route being forwarded to the Commission prior to the commencement of operations; and
- such variations being consistent with the proposal outlined in Qantas' application of 23 March 1999.
